Hi Melissa,
Please see the note below, seems to be some misalignment with police services from different jurisdictions. Can you bring forward to NCRCC. Thx
Hung

Hello all,

Was just made aware of an issue one of our ER physicians had trying to come to work this evening from Quebec.

Despite presenting himself to police and identifying himself with appropriate hospital ID at Chaudière bridge, he was subsequently re-directed twice, first to Macdonald Cartier, then Champlain, where he was essentially told deal with the delay, and that there was nothing they could do about it.

All three of his interactions were with police on the Quebec side.

Not sure if we can advise the powers that be or if there's anything that can be done about it for future crossings.

At least he gave himself plenty of time to get to work..

Thanks!

Geordie Montgomery
